

Manager of Building Services & Chief Building Official

The **City of Barrie** is one of Canada's most vibrant and progressive communities, a mid-size city that blends the dynamism of the southern Ontario economy and the lifestyle of the most coveted cottage country in the province. As the largest urban centre in Central Ontario, Barrie is poised for significant growth, with a population of 147,000 today that will rise to 253,000 in 2041. Council has a clear vision for this growth that aligns land use, infrastructure, and community amenities, supported by a sustainable financial model, and built on a diversified economy.

Reporting to the Director of Planning and Building Services, the Manager of Building Services is responsible for the management, operation, and administration of the Building Services Department. As the City's Chief Building Official, the Manager is responsible for establishing and implementing operational policies and procedures for plan review, inspection, and enforcement of the *Building Code Act* and Ontario Building Code. Overseeing a team of 22 and managing this self-funded enterprise, the Manager ensures the timely issuance of permits for the construction, renovation, change of use, and demolition of buildings within the City of Barrie. This is an integral role to ensure buildings are properly examined and inspected to protect and ensure the safety of Barrie's citizens.

The ideal candidate possesses more than 10 years of experience – several of which are in a management capacity – along with relevant post-secondary credentials and registration or eligibility for registration as a CBO with the MMAH. You have worked in a municipal setting and demonstrate deep knowledge and tangible field experience of building codes and bylaws. A trustworthy leader who manages their work to the highest standards of professionalism, here is your opportunity to partner with the community in building this livable waterfront city.
