

Building Inspector

9 & 12 Month Contracts (35 hours per week)

The Town of The Blue Mountains is a growing and progressive, four-season community with stunning natural features, including the Niagara Escarpment, Beaver Valley and the Georgian Bay shoreline, and the various recreational activities and experiences they afford. We are seeking to fill a 9-month and a 12-month Building Inspector contract positions within our Planning and Development Department, Building Services Division. The 9-month contract has been created due to an internal staff leave of absence. The 12-month contract has been created due to a continued increase in construction and development within the Town of The Blue Mountains.

Advantages of The Blue Mountains include excellent quality of life, endless opportunities, the amenities of a complete community and proximity to the Greater Toronto Area, come join us!

Position Overview:

Under the general supervision of the Manager Building Services/Chief Building Official, this position plays an integral role in ensuring that the construction, renovation, change of use and demolition activities of buildings within the Town are properly examined and inspected prior to and during construction to provide and maintain a level of quality that complies with the Ontario Building Code, applicable municipal by-laws and applicable law in order to protect public the health and safety ensuring efficient construction within the Town. The Building Inspector performs plans review and inspection services to ensure compliance with the *Building Code Act*, Ontario Building Code, and other applicable law consistent with established policies, practices and procedures as directed by the Chief Building Official and issues notices and orders with respect to *Building Code Act* enforcement, as necessary to ensure life safety and structural integrity of buildings.

Required Knowledge, Skills, and Experience:

- Requires a three-year post-secondary Degree and/or Diploma in Architecture or Engineering Technology, or equivalent
- Eligible or working towards certification and registration as a Certified Building Code Official with the Ontario Building Officials Association.
- Requires a minimum of three years of Ontario Building Code inspection/plans examination experience; or related work experience
- Required to maintain or obtain the following categories of qualifications under the building code: Powers and Duties of CBO, House, Small Buildings, Plumbing House, Plumbing - All Buildings, On-Site Sewage, HVAC House, Building Services, Building Structural, Large Buildings and Complex Buildings.
- Extensive knowledge of the Ontario Building Code Act and Regulations and Property Standards By-Law an applicable Federal and Provincial Laws.
