

BUILDING INSPECTOR I, PERMANENT

Closing Date: August 21, 2020 - 4:30 pm

Department: Engineering & Development Services

File Number: SV20-54

Hours: Monday to Friday 8:30 a.m. to 4:30 pm.

Salary: \$30.61 - \$35.37 per hour plus \$711 per month car allowance
(Benefits/Pension/Vacation)

PURPOSE AND SCOPE

Under the direction of the Chief Building Official, or the Deputy Chief Building Official the Building Inspector I is responsible for examining plans and specifications submitted for compliance with statutory provisions, standards and procedures set out in the Building Code Act, the Ontario Building Code and municipal by-laws.

The Building Inspector I issues permits and inspects work pursuant to permits for conformity with all applicable statutes and procedures. In performing these duties, the position provides technical knowledge and advice regarding statutory provisions, regulations and by-laws affecting such matters.

The position also assumes certain responsibilities with respect to enforcing by-laws and other statutes related to buildings and properties.

EDUCATION/SPECIALIZED TRAINING/SKILLS

Essential (minimum) Qualifications:

- Two (2) year college diploma in engineering or architectural technology, or equivalent training and experience.
- Qualified by the Ministry of Municipal Affairs and Housing in the following areas as identified in the Ontario Building Code: House, HVAC House and Plumbing House, including completion of the General Legal Process Examination.
- CBCO certification through the Ontario Building Officials Association (consideration for those capable of being certified within reasonable time)
- Valid G driver's license and access to vehicle required.

Asset (preferred) Qualifications:

- Demonstrated ability to comprehend the workings of various municipal by-laws (i.e. zoning, property standards, signs, fence)
- Experience with Cityview program

WORK EXPERIENCE

Essential (minimum) Qualifications:

- Two (2) years' experience in enforcement of the Ontario Building Code and Act through the conducting of plans reviews and on-site inspections of buildings to confirm compliance with the regulations, related applicable law and by-laws in a municipal environment.
- Ability to work effectively in a stressful environment and handle confrontational situations with tact, diplomacy and professionalism.
- Demonstrated ability to comprehend and interpret complex construction drawings illustrating buildings and structures.

Asset (preferred) Qualifications:

- Demonstrated computer literacy skills including data entry, database searches, Outlook, Microsoft products.
- Excellent verbal and written skills; ability to illustrate concepts in graphic format

Job Description Available Upon Request
