

Temporary Building Official

The City of Cornwall is a progressive community of 47,000 situated on the banks of the St. Lawrence River in Eastern Ontario. Cornwall boasts a modern economy led by forward thinkers and offers an extensive array of urban amenities making it an excellent place to build a career and raise a family.

The Building Official is responsible for the review and approval of Building and Demolition Permit applications, inspections and approval of construction, the accounting and release of performance deposits and the approval of Occupancy Permits for residential and non-residential buildings under Division B - Part 3 & Part 9 regulated by the Ontario Building Code. This includes all disciplines in the Building Code (Use and Occupancy, Structural, Plumbing, Mechanical, Fire Protection, Health and Life Safety), the Zoning By-law and other applicable law, agreements and development approvals.

Reporting to the Deputy Chief Building Official, this position provides responsive technical, expert and professional advisory services related to the enforcement of the Ontario Building Code Act, the Ontario Building Code, and all applicable laws (federal, provincial and municipal), ensuring the minimum standards for public health, life safety, fire protection, access, environment and structural sufficiency are met in the design and construction of buildings in the City of Cornwall.

Our candidates must possess a minimum of a 3 year Diploma from a Technologist program in Architectural, Civil, Mechanical, Fire Protection of Construction Technologist or equivalent; have a minimum of 18 months of general construction experience in building design and construction and inspection of buildings; be eligible to attain the standing of a Certified Building Code Official (CBCO) in the Ontario Building Officials Association; must have successfully completed the provincially mandated examination program administered by Ministry of Municipal Affairs and Housing relating to Building Code Act and the Ontario Building Code; and in the categories of qualifications that correspond to the types of buildings that will be inspected (reviews of drawings and inspection of construction), including plumbing and mechanical, as set out in the OBC; must possess a valid Class G Driver's License or equivalent; working knowledge of construction drawings (including architectural, structural, plumbing, mechanical, electrical and geotechnical drawings and specifications) combined with an understanding of the different types of regulations associated with the development approval process; working knowledge of professional and technical practice in all disciplines of the design and construction of buildings (architectural, engineering, plumbing, mechanical, structural, geotechnical, project management, etc.); working knowledge of the Building Code Act and the Ontario Building Code; working knowledge of all referenced standards including Canadian Standards Association (CSA), Underwriters Laboratories Canada (ULC), and other approval agencies such as the Building Material Evaluation Commission (BMEC), the Canadian Centre for Construction Materials (CCMC) and the Technical Safety Standards Authority (TSSA); knowledge of applicable Occupational Health and Safety Legislation. Bilingualism would be considered an asset.

This is for a one year term, with the possibility of renewal.

The City of Cornwall offers a competitive wage starting at \$35.14- \$44.51 per hour (\$63,954 - \$81,008 annually) plus a comprehensive benefits package.

The deadline for submissions is September 16, 2020. Please submit your resume and proof of qualifications in confidence to:
