POSITION VACANCY

Position:	Building Inspector
Type of Vacancy:	Permanent Full-Time
Annual Salary Rate:	\$62,000 - \$72,000
Date Posted:	May 12, 2021
Closing Date:	May 27, 2021 – 4:30 p.m.

Located in the Haliburton Highlands adjacent to Algonquin Provincial Park, the Municipality of Dysart et al covers a breathtaking 1,486 km² interspersed with hundreds of small lakes. Seasonal/recreational development is a primary driver of the local economy. Although the permanent population is approximately 6,500, mainly concentrated around the village of Haliburton, the Building Department issues an average of 500 permits annually.

Our team consists of a CBO, Permit Clerk, and 2 Building Inspectors. As 1 of 2 building inspectors, your main tasks would include the typical plans review and inspection (includes plumbing and sewage systems) functions, and responding to inquiries. Must enjoy driving around cottage country.

Familiarity with CityView or similar permit software program, Portal system and Electronic Inspections would be an asset.

Preference will be given to candidates with minimum Provincial Qualifications in *House / Plumbing / On-Site Sewage Systems / HVAC*, 2 years experience in a related field, and proven customer service ability.

Full details and job description for this position can be found on our website dysartetal.ca

Interested applicants may submit their resumes to lcasey@dysartetal.ca, indicate **Building Inspector 2021** as the subject. Applications must be submitted via email and may be accepted until 4:30 pm on Thursday May 27th, 2021.

Come join our team!
