

Senior Building Inspector

The Town of Bradford West Gwillimbury is looking for an energetic, highly motivated and organized professional to make a significant contribution to the Building Division.

Reporting to the Chief Building Official, the Senior Building Inspector's primary responsibility will be to review and process applications for compliance with the Ontario Building Code and applicable legislation, issue building permits and inspect residential, commercial, institutional, industrial and agricultural structures to ensure compliance of construction with approved plans, Ontario Building Code and referenced standards. Additionally, this position will be responsible for conducting mandatory inspections to ensure adequacy of life safety, structural requirements, plumbing, and On-Site Sewage Systems, HVAC systems in new and renovated buildings. The Senior Building Inspector will investigate complaints relating to Building Code non-compliance, examine plans and specifications for compliance and obtain required government agencies' approvals prior to permit issuance. In addition, you will calculate building permit fees and applicable charges and deposits, issue building permits for projects regulated under the Ontario Building Code and Town By-laws. This role will also be responsible for maintaining accurate reports, give evidence in court, perform plan reviews for permit applications, provide verbal assistance and advice in the field, at the counter, and on the telephone to tradespersons, homeowners, contractors, architects, engineers and the public on regulations and building permit processes. In addition, you will be required to co-ordinate and monitor the work of, and provide technical guidance to Building Inspectors and other department staff

The successful candidate will possess post-secondary diploma in architecture, engineering or a related discipline. Preference will be given to candidates who are qualified as referenced in Division C Section 3.1.4.1 in a category of qualifications set out in Column 2 Table 3.5.2.1, 2012 Building Code. Candidates will have completed General Legal Processes for CBO, House, Small Buildings, Large Buildings, Complex Buildings, Plumbing All Buildings, Building Services, Building Structural and On-Site Sewage Systems. Designation or eligible for designation as a Certified Building Code Official is desirable (CBCO). Applicants must possess a minimum of seven years experience in plans review, inspection of building construction, HVAC, plumbing and sewage systems. Candidates must possess strong communication skills and be able to effectively, professionally and courteously work with all levels of staff, contractors and the general public, be productive in a team environment, possess strong conflict resolution skills, and have demonstrated proficiency with information technology. Candidates must be able to promote a culture of inclusiveness and work with a diverse population of employees, contractors and the general public. The successful candidate must have demonstrated proficiency with information technology, and possess a valid class G driver's license in good standing. In addition, a criminal record check will be required upon hire and candidates must be able to provide proof confirming receipt of the full series of a Covid-19 vaccine as a condition of hire in accordance with the Town's mandatory vaccination policy.

The position offers a salary range of \$76,499 to \$95,624 (2022 rates) plus a competitive benefit package.

To explore this challenging opportunity further, we invite qualified applicants to forward their resume and covering letter in confidence, quoting File Number **2022-SB01** by **January 21, 2022** to:
