

Job Opportunities:
Building Inspector
2 Full-time Vacancies

In all we do, we have the freedom to be our best self, belong, excel....

Why Innisfil?

Join a community-focused team that thrives on doing things differently to better serve our residents. We are an award-winning municipality applying two hundred years of small-town independence and collaboration toward a future of innovation and prosperity. Located on the shores of Lake Simcoe, Innisfil is centrally located and combines big city access with small-town feel.

We focus on helping our employees effect change with nimble decision making, taking risks, real time learning and through professional development. Across our affiliated organizations, we collaborate to ignite meaningful change in how we offer municipal and essential services. We operate with a 'One Town, One Team, One Customer' philosophy. Our teams have the freedom to propose, test and pilot creative solutions which has led to Innisfil being the first community in the world to develop a public transit system powered by ride-sharing, and the second to accept cryptocurrency for property tax payments. Our newest project, The Orbit, is a cutting-edge, dense community of up to 150,000 people, centred around a new GO Rail Station that will blend the best of urban and rural lifestyles: "Rural Reimagined!"

Why You?

We're looking for a collaborative and forward-thinking individual to join our Community Development Standards Branch (CDSB) team and make a lasting impact on our organization and community! In line with our Community Strategic Plan: Innovative Innisfil 2030, and with a "Community First" approach to their work, the Building Inspector will have a focus on large buildings and will be responsible for:

- ✓ Performing the legislative duties in relation to the administration and enforcement of the Ontario Building Code and relevant municipal by-laws
- ✓ Protecting and promoting public safety and assuring the structural soundness of buildings for occupants' safety and accessibility
- ✓ Inspecting the construction and demolition of structures for the purposes of determining compliance with municipally reviewed construction drawings/permit plans, the Ontario Building Code, referenced standards and applicable law
- ✓ Building and fostering positive relationships with internal and external stakeholders and facilitating excellence in customer service

The preferred candidate has:

- ✓ A college diploma in a discipline such as architectural technology, building science, or civil engineering technology, or an equivalent combination of education and experience; such experience or accreditation might include a construction trade.

- ✓ The mandatory qualification requirements as prescribed in the Ontario Building Code Act (in all 13 categories)
- ✓ A minimum of 1-3 years experience performing construction inspections of houses, small buildings, large buildings, and assorted structures (signs, park model trailers, pools, decks, tents, retaining walls, farm structures, portables, on-site sewage systems, etc.)
- ✓ Membership in good standing with the Ontario Building Officials Association and certified as a Certified Building Code Official (CBCO).
- ✓ Registered as Building Official with the Ministry of Municipal Affairs and Housing (MMAH).
- ✓ A valid Building Code Identification Number (BCIN) from the Ministry of Municipal Affairs and Housing (MMAH).
- ✓ Certificates in WHMIS, Fall Arrest, working at heights, First Aid and CPR.
- ✓ Must possess and maintain a valid Ontario Class "G" Driver's License.
